Good conditions with minor defects that do not impact use	
Some defects with minor impact on use	
Serious damages that negatively impact use	
Major damages that compromise use of campground	

NOTES: Clean and well-kept park.

General Comments: This campground earned a "B" for proximity to many attractions in the Charlotte area; easy access to I-85 and I-77; good maneuverability; and convenience to our family and friends. There's good tree cover providing morning and afternoon shade, and the sites are not as dense as some parks in urban areas.
