NOTES: Electrical system outage had been going on for several months and impacted ability to access WiFi and caused closure of family lodge and pool.

General Comments: This is a spacious and peaceful park with access to Lake Texoma and all the lake recreational activities; we would likely come back if we were looking for some relaxing down time. There are a few unpaved roads leading out of the park that we enjoyed taking the Jeep out on to explore. Large rigs beware if approaching from northeast – the bridge over the lake on US-70 between Durant and Kingston is VERY narrow; we did it but it was extremely uncomfortable.
