Some defects with minor impact on use	
Serious damages that negatively impact use	
Major damages that compromise use of campground	

NOTES: The sites and roads are in excellent condition. Bath houses were clean but with old, worn fixtures.

General Comments: Wonderful campground right on Lake Lanier! All sites are great - some sites are AMAZING with lake views (details in blog post). All paved roads and sites; fine gravel patios. Everything very clean. No real resort amenities other than the beach. Main attraction is proximity to lake. Gainesville is 15-20 min drive, has all shopping needs, and nice historic square for an afternoon stroll.
