NOTES: Paved and unpaved roads in generally good condition. Updated, clean, and well-maintained facilities throughout.

General Comments: Great seasonal RV park. Well-run with numerous community and children's activities (karaoke, bingo, casino night, summer camps). Functional WiFi in lodge buildings, but absolutely NO CELL SIGNAL - even with weBoost. Large portion of long-term seasonal sites; very busy on weekends. Park plans to upgrade WiFi but will be a challenge due to sprawling size and hilly terrain. Good place to "get away from it all".
